

How Does Your Project Team Stack Up to the Competition?

01

The Mom & Pop Shop

TRACKS BUDGETS WITH AD-HOC, SIMPLE SPREADSHEETS

- ✗ Human error
- ✗ Reactive rather than proactive
- ✗ Not a fit for projects over \$1MM

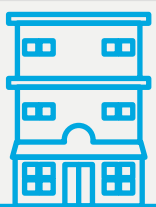

02

The Traditional Firm

TRACKS BUDGETS WITH VARIOUS SETS OF COMPLEX SPREADSHEETS

- ✗ Version control issues
- ✗ Time-intensive data entry
- ✗ Lack of real-time visibility

03

The Emerging Leader

TRACKS BUDGETS WITH COMPLEX SPREADSHEETS OR LEGACY SOFTWARE

- ✗ Expensive + not customizable
- ✗ Lengthy training + a heavy administrative lift
- ✗ Prone to inaccurate data sharing

04

The Major Player

TRACKS BUDGETS WITH A PROPRIETARY INTERNAL SYSTEM

- ✗ Lacks real-time data insights
- ✗ Not customizable + has a hefty price tag
- ✗ Requires an in-house IT department to maintain

The Modern Real Estate Team

05
